

Rule 504

Petitions for Variances

In addition to the matters required by [Rule 503](#), petitions for variances shall state briefly:

- (a) The section, rule, or order from which a variance is sought.
- (b) The facts showing why compliance with the section, rule, or order is unreasonable.
- (c) For what period of time and dates the variance is sought.
- (d) The damage or harm which would result to petitioner from compliance with such section, rule, or order.
- (e) Except in a petition for an interim or emergency variance, a final compliance date specifying when petitioner will be in compliance with the section or rule from which a variance is sought.
- (f) If the final compliance date required in [subsection \(e\)](#) is one year or more after the date set for hearing (other than the hearing for an emergency or interim variance) then petitioner shall attach to his petition a proposed schedule of increments of progress as defined by [Health and Safety Code Section 39051](#).
- (g) Both the advantages and disadvantages to the residents of the District resulting from requiring compliance or resulting from granting a variance.
- (h) Whether or not any case involving the same identical equipment or process is pending in any court, civil or criminal.
- (i) Whether or not the subject equipment or process is covered by a permit to operate issued by the Air Pollution Control Officer, whether or not such permit has been denied or revoked, or whether the subject equipment is exempt from permit requirements.
- (j) Whether the subject equipment was constructed in conformance with an authority to construct, or whether the subject equipment is exempt from such requirement.
